Hello 👋, Welcome to my profile

I'm Krish Gaur

ABOUT ME
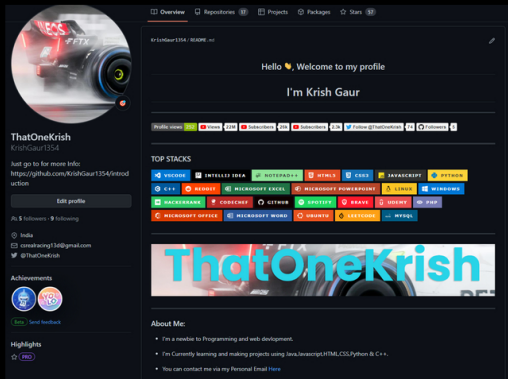

Thanks for your interest, here is a quick story of me and this website.

Hey there, I'm Krish Gaur & This is my projects portfolio website just like a github profile. I am currently learning web development and cloud computing. In terms of languages I am currently fluent in HTML , CSS & Python. In terms of frameworks that I am currently learning are Java , JavaScript , C# , C++ , GoLang & React.

This website is basically one of my Web Development project which is built using HTML only. Here one can also find ideas for projects in different languages. Thanks again for reading this, because of people like you, it exists and prospers!

Cheers,
KrishGaur1354
